III. Please an example of an overarching objective written as a complete sentence for each of these five dimensions:

Social

Personal

Moral

Political

Information processing realities

IV. Questions for Narrative Answers

1. What are objectives you have had for individual students that are related to these five dimensions? Be specific, including how you worked on that objective with that student.

2. Consider the overarching objective; “*students will be have the motivation and skills to be lifelong learners.*” Name at least two areas of performance (Classroom Climate, Expectations, Clarity etc...) and give specifics on what kinds of tasks and activities you would draw on to implement this overarching objective.
